# Pricing Guide

**Use this guide as a suggestion for pricing your items. Buyers always love half price deals so we suggest marking items for half price and start accordingly! We will have special section for holiday clothing and monogrammed items. Clothing should be in-season/transitional; off season clothing (ie-winter coats in spring or swim in fall) will be placed in an off-season section. If you need advice, please don't hesitate to contact us. The minimum price is \$5 so for smaller items (books, baby toys, accessories, etc.), we suggest bundling items. We also offer VIP tagging service if you prefer we price for you.**
